PROFILE

I am a hardworking, creative and ambitious individual with a great passion. I am very challenging in nature, try to be a good competitor for others. I am a creative thinker who enjoys coming up with new and different ideas and always open to learn new and upcoming skills. I am currently in my final year of my Bsc(H) Computer Science at Delhi University(DU). I am seeing for a position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the organization that I work for.
